1896-1921—the Silver Jubilee comes into its own. It's the biggest sale in our twenty-five years of storekeeping; planned generously to let you select from our new stocks at prices decidedly in your favor.

It takes four pages to tell today's news!—and then the story is only partly told. For the sale is store-wide; every section joins in the movement; wherever you turn Silver Jubilee signs present such bargains as these:

See Today's Post for two more pages.

See another advertisement on page 6, part 4.

Thanks are due to our business neighbors—

who so graciously sent flowers and called in person to congratulate us on our Silver Jubilee.

It is good for stores as well as people to work in unity of spirit; to take joy in another's prosperity; to express that joy in gracious thought or deed.

We thank them for this manifestation; we hope to reciprocate in their Silver and Golden Jubilees.
